QUALITY ASSURANCE

Piper's Plank Floors are manufactured to the highest quality control standards in the industry. Every batch of Piper's Plank flooring goes through fourteen (14) rigorous testing standards to ensure the quality of our Floors. Through the entire manufacturing process, we have Quality Assurance checkpoints in place to confirm the superiority of our Floors. The final step in our Quality Assurance process is a rigorous third-party test by an independent ISO certified lab to re-confirm that our fourteen (14) quality standards have been achieved. We will not leave any stone unturned to ensure our promise to manufacture the perfect floor.

IT IS THE RESPONSIBILITY OF THE CUSTOMER TO INSPECT ALL PIECES OF FLOORING FOR DEFECTS PRIOR TO INSTALLATION.

FLOORING THAT HAS BEEN INSTALLED WILL BE DEEMED TO HAVE BEEN ACCEPTED BY THE CUSTOMER AND WILL NOT BE ELIGIBLE FOR REPLACEMENT.

Labour claims will only be considered if an industry certified inspector confirms all proper installation guidelines outlined in our installation manual were followed. The original installation of the product must have been completed in whole by a store certified technician and must appear on the original customer invoice.

30 YEARS RESIDENTIAL WEAR WARRANTY or 7 YEARS COMMERCIAL WEAR WARRANTY

Any claim on either Wear Warranty must be easily noticeable and cover at least 20% of the total floor area for a claim to be considered.

Piper's Plank warrants to the original purchaser that, under normal residential conditions, the light commercial-quality wear layer of Piper's Plank Aquawood Premium flooring will not wear through, stain, or peel for a period of thirty (30) years residential and seven (7) years for commercial, from the date of purchase by the original purchaser.

Regular maintenance outlined in the Piper's Plank Maintenance document must be followed to validate this warranty. This warranty is available to the original purchaser only and shall be limited to the repair, refinishing or replacement of the defective material. If the product cannot be repaired, refinished or replaced after a reasonable number of attempts, Piper's Plank will, upon request, refund the original purchase price of the defective floor on a pro rate basis. Any attempt to repair, refinish or replace the defective product prior to inspection by Piper's Plank or its appointed agent will invalidate this warranty.

Piper's Plank may, at its sole discretion, elect to refund to the customer a portion of the original purchase price equivalent to the value of the defective portion of the floor. Under no circumstances will the value of a warranty claim exceed the original purchase price of the product.

WARRANTY EXCLUSIONS

The following are expressly excluded from the Piper's Plank warranties:

1. Scratches, dents, warping, splits, cracks, delamination, or other damage that occurs (during or after the floor has been installed) as a result of abuse, extreme weather or temperatures, improper care & maintenance (including, but not limited to, abrasive or improper chemical cleaning) or exposure to direct sunlight.
2. Product that becomes faulty due to improper installation, neglect, environmental extremes, or improper storage of product. (Please read and adhere to all instructions and information found in the Piper's Plank Installation Guide prior to preparation and installation of the floor.)
3. A failure of any Piper's Plank Laminate product relating to the subfloor, in any way. (The subfloor is the responsibility of the homeowner and installer.)
4. Fading or darkening as a result of direct, prolonged exposure to ultraviolet sunlight. Moving or rearranging rugs and furniture regularly will prevent inconsistencies.
5. Normal wearing of the finish in high traffic areas, pivot points and seating areas.
6. Product irregularity that is not measurable or that is visible only under certain lighting conditions or from a specific angle. (Visible defects should be evaluated by their prominence from a standing position in normal lighting.)
7. Any product that has been damaged or permanently altered, whether accidentally or intentionally, by smoke, paint, glue, or other chemicals. This includes inappropriate cleaning products.

WHAT PIPER'S PLANK WILL DO IN THE EVENT OF A WARRANTY CLAIM

Piper's Plank will, at its option, either repair and/or replace the Flooring which is defective or credit you for the portion of the purchase price attributable to the Flooring which is defective. You are responsible to pay for all other costs related to the defective flooring (i.e. labour to remove Flooring, labour to install replacement Flooring, additional materials required to install replacement Flooring, removal of any household fixtures or furniture required to repair or replace the Flooring, hotel stays required due to repair or replacement, etc.).

Any additional remedies are your sole and exclusive responsibility under this warranty.
